

calidon

Comfort and warmth

Calidon™ seating and occasional tables share a distinctly modern appearance. With well-balanced and full-frame, solid hardwood construction, Calidon is a versatile solution combining comfort, style and durability for years to come. Fully upholstered lounge models include optional integrated power and USB charging for easy access in either front or side locations. Guest and lounge seating feature an integrated wipe-out design to support cleaning protocols from workplace and hospitality to healthcare environments.

Seating shown in Stinson Olivia, Cloud with Winter Cherry frame. Table shown in Winter Cherry laminate top with Winter Cherry wood legs.

A welcomed guest

Calidon guest seating is offered in freestanding single and multiple seat models that can be connected and configured into linear or 90° layouts with side and corner tables. Calidon lounge models are available with open, wood or fully upholstered arms. End tables and linking tables include optional integrated power and USB charging. Guest seating models are available with protective and replaceable urethane or solid surface armcaps.

Lasting value

Calidon single seats support active weight up to 400 lbs. with wide-frame, single seats supporting up to 600 lbs. Optional moisture barrier and sealed seams are available. Matching wood frame occasional and linking tables are available with laminate or solid surface tops.
